RE: ZONING LETTER FOR THE PROPERTIES AT 153 KEARNY STREET
BLOCK: 0293 LOTS: 010, 011, 012 & 013

Dear Sir / Madam:

This letter is in response to the correspondence from Zoning-Info on October 4, 2007 requesting zoning information for the properties at 153 Kearny Street. These properties are located in the C-3-O (Downtown Office) zoning district with 80-130 feet height and "F" bulk limitation. We have attached a summary of the zoning controls for the district.

The subject properties are not in any Special Use District. Historic or architectural ratings and our property information reports for the subject properties are attached.

The Planning Code Section 181(d) and 188(b) allow a legally constructed structure that is destroyed by fire, other calamity, or by act of God or the public enemy to be restored to its original condition and use provided that such restoration is permitted by the Building Code and is started within one year and diligently prosecuted to completion. This allows the reconstruction of a non-conforming use, a non-complying building or conditional use that has all applicable building permits and a Certificate of Occupancy on record with the Department of Building Inspection. Uses, buildings and features not legally built or established may be replaced only with uses, buildings or features that conform to current standards.

Information regarding violations of the Building Code as well as the Certificate of Occupancy is the jurisdiction of the Department of Building Inspection. For violations please contact this department at:
