**RE: ZONING LETTER FOR THE PROPERTY AT  
400 MONTEREY BOULEVARD  
BLOCK: 3092 LOT: 066**

Dear Ms. Taylor:

This letter is in response to your correspondence of November 8, 2006 requesting zoning information for the property at 400 Monterey Boulevard. This property is located in the RM-1 (Residential, Mixed Districts, Low Density) zoning district with 40 feet height and "X" bulk limitation. The RM-1 zoning district generally permits one dwelling unit per 800 square feet of lot area. The subject site is 7,496 square feet.

The subject property is not in any Special Use District. The abutting zoning districts to the subject property to the north and south is RH-1, to the east is RH-1 and RM-1, and to the west is RH-1 and NC-1 district. Our records do not indicate any variances, special exceptions or conditional use permits granted for Planned Unit Development or other uses on the subject property. Our assessor's records show the authorized use for this property as an Apartment House containing 18 dwelling units. The current RM-1 zoning district would allow 9-units on this site. Therefore, 9-units out of the existing 18-units on this site are legal non-conforming units. There are no legal non-conforming commercial uses noted on our property profile and no complaints noted on our Planning Enforcement Tracking records for this property.
