091252 Affordable Housing Transfer Fee Restriction Alternative for
Inclusionary & Jobs Housing Linkage Programs

This memorandum is in response to a request from the Planning Commission to provide information on projects subject to area plan fees and/or inclusionary affordable housing requirements and may be affected by proposed fee deferral legislation. Currently, fees are typically collected at one of two points: either at issuance of Site Permit, or later at Certificate of Occupancy-- both of which are issued by the Department of Building Inspection (DBI). The lists provided in the memorandum show projects that are either pending Planning entitlement or have been entitled by Planning. Due to the various fee collection procedures currently in place, each project will need to be researched further to determine if it has paid its fees. Further, the San Francisco consolidated development pipeline is an imperfect estimate of all project applications filed with either the Planning Department or DBI.

SUMMARY: Table 1 is a summary of projects that are subject to 1) plan area impact fees; 2) Section 313 requirements for the Jobs-Housing Linkage Program; and 3) Section 315 requirements for the Residential Inclusionary Affordable Housing Program.

Table 1:

Requirement	Entitled		Not Entitled	
	No. of Projects	Units or Sq Ft	No. of Projects	Units or Sq Ft
Plan Area Impact Fees:--(residential units)	38	3,183	44	2,542
Section 313: Office (square feet)	16	1,112,955	20	4,531,233
Section 315: Inclusionary Affordable Housing program (Residential Units)	60	7,095	78	6,035

“Entitled” projects are those projects that have received City Planning entitlements but have not received Department of Building Inspection approvals as of 12/31 2009. Projects that have filed applications for City Planning entitlement but have yet to receive a decision are “Not Entitled.” It

should be noted that some projects may be counted twice as some projects subject to Plan Area impact fees may also be required to comply with Section 313 or Section 315.

DATA SOURCE: The tables submitted are from the 2009 fourth quarter development pipeline database obtained from Planning Department and Department of Building Inspection project and permit tracking databases, and includes applications filed with the Planning Department as of 12/31/2009. San Francisco Redevelopment Agency (SFRA) projects are included in this accounting but not all of them may be subject to the area plan, office or inclusionary requirements. The SFRA entitles applications independently and under redevelopment agency jurisdiction of the Redevelopment Code. Only projects that have to comply with the Planning Code would be subject to planning fees **and** the fee deferral legislation. Projects entitled per SFRA controls do not need to meet Planning Code requirements **and** therefore could not defer fees that were not paid.

What is not included: Projects that are a) under construction; b) have received building permit approvals or have been issued a building permit (“BP”), or c) have had BP re-instated are not included in this accounting. Very large projects in the pipeline -- such Treasure Island, Park Merced and the Bayview Waterfront Project – are assumed to have developer agreements in lieu of §315 requirements and are therefore not included. Mission Bay projects are also exempt from these requirements and are not included.¹

PROJECTS SUBJECT TO PLANNING AREA FEES: Table 2 is a summary of projects subject to planning area fees.
